Chapter 1 by Story Wars

Once there was a worm. He was at his house. His best friend Bird came to his house. "Why, hello there, Bird!" said Little Worm. Bird replied, "Oh, hi Little Worm!" Bird looked nervous and scared. "Uh, Bird, are you feeling okay?" asked Little Worm. "Yes, I'm fine," said Bird. Little Worm said, "So, what did you do today?" Bird said, "I went to a school... I learned that birds are supposed to eat worms." Little Worm looked surprised. He said, "That's the secret I've been keeping away from you. I didn't want you to eat me like how my other family members have all been eaten. My great-great-great-great-great grandfather, my great-great-great-great grandfather, my great-great-great grandfather, my great grandfather, and my dad." Bird said, "Well, I'm kind of hungry right now." Bird opened his mouth. He ate Little Worm.
